CHAS. J. LYNN  
*Founder of Lynnwood Farm*

In this Foreword we are presenting a few of the steps taken in the building of the Lynnwood Polled Shorthorn herd and it is our hope that it will prove both interesting and profitable to the breeders of Polled Shorthorns today.

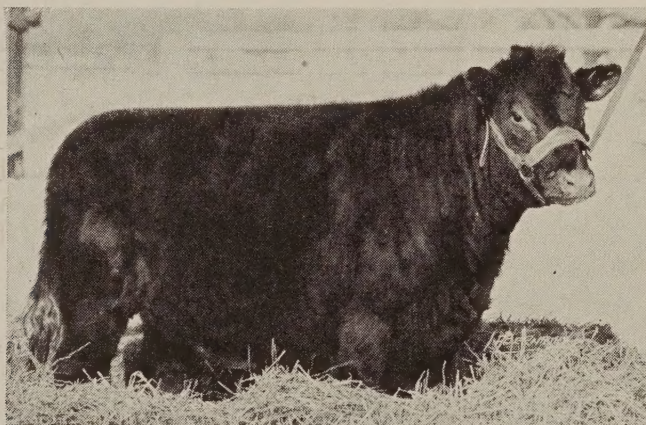

We extend to you a cordial invitation to visit Lynnwood Farm, not only on the occasion of public sales but also at any other time. We are always pleased to show you the breeding herds of Polled Shorthorns, Berkshires and Percherons.

*Chas. J. Lynn*

Four of the foundation heifers of the Lynnwood herd. Each one is a highly valued brood cow in the herd today.

LYNNWOOD AUGUSTA B. 2d—Grand champion heifer at the 1944 spring sale of the Indiana Polled Shorthorn Breeders' Association. Sired by Collynie Type 3d.

A few Lynnwood brood cows.

## Foreword

WE can rightfully expect our livestock to be a reflection of the animals that have gone before them. This is true of all farm animals but it is doubly important to the purebred breeder who is working to improve these animals.

Seven years ago thirty-five head of Polled Shorthorns were brought to Lynnwood Farm from the Nickel herd in Illinois to start the herd here. In this group were two bulls, one sired by Sultan's Standard and the other by Collynie Salvare and out of Scottish Daybreak 9th, the 1931 International grand champion cow. Several daughters and granddaughters of Sultan's Standard were in that group of cattle.

This much should be said about the bulls that were in the pedigrees of these cattle. Sultan's Standard had been used in the Nickel herd from the fall of 1929 to 1938. He was an undefeated senior calf in 1928 at Iowa, Nebraska, South Dakota and the Ak-Sar-Ben Fairs; bred by S. W. Stewart & Sons of Blair, Nebraska. He was sired by Beauty's Sultan by Sultan's Masterstroke by Sultan of Anoka. Lavender Browndale 4th, the 1939 undefeated grand champion female, is a daughter of Sultan's Standard. There are five other daughters of that bull in the herd. Sultan's Standard did much to improve the heads of Polled Shorthorns and he sired a high percentage of naturally thick-fleshed, low-set cattle.

Cumberland Victor, bred by W. W. Rose & Sons, was used in the Nickel herd for four years previous to Sultan's Standard. He was an all red son of Cumberland Sultan and had won his class at the Illinois State Fair. Cumberland Sultan, his sire, was an International junior champion bull whose influence on the Polled Shorthorn breed is very pronounced. He sired a lot of low-set, compact cattle and many cattle of excellent type in a number of herds owe that conformation to him.

Collynie Spotlight was purchased for Lynnwood from Albert Hultine & Sons in 1938. He is sired by Daybreak's Collynie by Lord Collynie and the dam of Daybreak's Collynie was Scottish Daybreak 9th, the 1931 International grand champion female. It was through him that the blood of Lord Collynie, twice an International grand champion, was first introduced into the Lynnwood herd.

In the spring of 1938 two daughters of Collynie Type 3d were purchased from Fred Johnson, one of which has given to Lynnwood Farm much that has helped in the breeding of better Polled Shorthorns. She is Scottish Daybreak 12th out of Scottish Daybreak 9th. As early as 1938 many breeders were beginning to recognize the superiority of the cattle sired by Collynie

Type 3d. Although it was not until December 1939 that Collynie Type 3d was brought to Lynnwood, many of his daughters had been added to the herd and his get won first at the 1939 International for us. Much of the credit for the great breeding record of Collynie Type 3d must be given his sire, King Collynie Jr.

There are today eleven daughters of King Collynie Jr. in the Lynnwood breeding herd. Scottish Daybreak 12th, one of the first daughters of Collynie Type 3d, as mentioned before, has exerted the greatest influence on the breeding in the herd. Her first daughter, Lynnwood Daybreak, has been a great show cow, winning the grand championship at Illinois, Ohio and Indiana State Fairs in 1941. This cow is sired by Meadow Sultan, an outstanding son of Sultan's Standard that died quite young. The few calves by him indicate that he would have been a great sire used on daughters of Collynie Type 3d. We had planned to use him on most of the daughters of that bull.

Lynnwood Defender, a full brother to Lynnwood Daybreak, is being used extensively in the herd at present. He combines the blood of Collynie Type 3d and Sultan's Standard and his calves now on the farm indicate that he will work improvement in the herd.

Lynnwood Spotlight, a son of Collynie Spotlight, won his class at the 1940 International and was in the first prize calves at that show. He is today very much admired by good judges of cattle. He is out of the same dam as Lavender Browndale 4th—Lady Lavender. Much can be said about that cow and what she brought to Polled Shorthorns. She was sired by Loyal Browndale, an International grand champion horned bull by Browndale Count. Loyal Browndale was a bit too far ahead of his time so far as modern, short-coupled, short-legged cattle were concerned, to be fully appreciated at the time he was champion. Credit for improvement in type must be given Loyal Browndale. In addition to his grandson, Lynnwood Spotlight, there are in the Lynnwood herd eight granddaughters and one own daughter, and several great granddaughters.

At the 1940 International, Fascinator won the junior calf class and was the top selling bull in the International sale. He was purchased for service in the Lynnwood herd to perpetuate the type of cattle being sired by Collynie Type 3d. Fascinator is a double grandson of King Collynie Jr., the sire of Collynie Type 3d.

We hope you will study the pedigrees and the cattle and that you will be our guest on sale day. And we hope that your purchases will bring you both profit and pleasure.

Manager

**Fascinator**—sire, Collynie Fascinator x1957471 by King Collynie Jr. x1718025, out of Cumberland Foxglove x1820446. Dam, Augusta 108th x1957480 by King Collynie Jr. x1718025, out of Augusta 105th 1880231.

**Oakwood Royal Count**—sire, Royal Count Jr. x1053938 by Royal Count x708335, out of Mina Linda x542524. Dam, Loch Dale Rosewood x1521761 by Loch Dale Supreme x1353975, out of Rosewood Violet 2d x1436254.

**Sultan's Standard**—sire, Beauty's Sultan x1282362 by Sultan Masterstroke x555455, out of Type's Beauty 753358. Dam, Lavender's Rose 2d x1271900 by Matchless Goods x785640, out of Lavender's Rose x1069188.

**LYNNWOOD MINSTREL x2201483**—This calf is a darker, more even roan than the picture shows him. He has an ideal dark roan color. Professor E. A. Trowbridge of Missouri picked him as the best of our young bulls when he saw him here in the summer. His dam is a thick fleshed, low-set cow that will give up to 50 pounds of milk per day when fresh.
